# SHOP SMALL

Support a local small business

PHG Technologies is a small, Brentwood based, woman-owned business. We specialize in Patient ID and forms automation products in the healthcare market. We've got great products, offer outstanding customer service and have a proven track record for saving our customers money.

Saturday, November 26th is Small Business Saturday. We're not open Saturdays and Sundays, but we are the rest of the week (our service group is available 24/7/365). We would truly appreciate the opportunity to earn your business. Please contact Kate Fox or Cathy Stewart with any questions.
